PHILADELPHIA, April 23.—For the first time in the history of track athletics Pennsylvania won a dual meet to-day from Harvard, the final score being 69 1-3 to 47 2-3. It was the first meeting in twenty-four years and only their third meet.

Several thousand spectators, including the French athletes, turned out despite the rain. The track was several inches deep with mud in some places, but the time proved much faster than anticipated, especially in the 220 yard dash, when Bob Mamm of Penn won in 21 4-5 seconds, which is within one second of the new world's record claimed by Charlie Paddock, the Californian.

Maxam was obliged to take off in the mud in starting the 220, but showed such a burst of speed that he beat Ned Gourdin, Harvard's noted colored athlete, by at least three yards. Maxam's 21 4-5 seconds is within two-fifths of a second of the fastest time ever made by a Penn man on Franklin Field and equals the winning time in last year's intercollegiate championships.

Although beaten in the 220, Gourdin of Harvard proved the individual high scorer, with 13 points. He won the 100 yard dash in 15 1-5 seconds from Maxam, was first in the running broad jump with a leap of 22 feet 4 1/2 inches and got second in the 220.

Two for Earl Eby.
Earl Eby, Penn's captain and star, won a double winner when he took the 440 and 880 yard runs. Eby did the quarter in 49 4-5 seconds, winning by three yards from Wharton of Harvard, with R. Chute of Harvard, third. On a dry track this performance would have been good for at least a 48 second quarter.

In the half mile R. F. Colt of Harvard set the pace most of the way, but at the proper time Eby shot out and won by two yards from George Meredith, a younger brother of the illustrious Ted, who passed Colt on the stretch. Eby did the half in 2:00 4-5.

To Everett Smalley of Penn went the honor of turning in two first places in the hurdles. He beat Smith, a teammate, over the 120 yard sticks in 15 4-5 seconds by two yards, and had just as much to spare over Jacks, a teammate. In the low hurdles, which was covered in 25 4-5 seconds.

One of the real surprises of the meet was the defeat of Capt. Dennis O'Connell of Harvard in the two mile run by Larry Brown of Penn. In order that he would be fresh for the two miles, O'Connell was purposely saved from the one mile run, which was won by Larry Brown of Penn. In order that he would be fresh for the two miles, O'Connell was purposely saved from the one mile run, which was won by Larry Brown of Penn.

Johnny Bartels, the Hoboken lad, wearing the Penn colors, won the shot put with a heave of 41 feet 1 1/2 inches, and was also third in the running broad jump.

Two of Harvard's football players, F. P. Brown and R. F. Colt, took first and second places, respectively, in the hammer throw, the winning throw being 135 feet 4 1/2 inches.

Harvard, who was expected when he won the pole vault at 12 feet. He was first tied by Temple of Penn at 11 feet 8 inches, and won the jump off. High jumper, Ray Jacobs, Reynolds and Nichols of Penn tying for first place at 5 feet 3 inches. It rained hard during this event.

Penn won nine first places to Harvard's four.

The Summaries.

100 Yard Dash.—Won by E. Gourdin, Harvard; second, Bob Maxam, Pennsylvania; third, D. A. McFadden, Pennsylvania. Time, 15 1-5 seconds.

RELANDS, CAL., April 23.—Charles W. Paddock of the University of Southern California broke world's records for 100 meters, 200 meters, 300 yards and 300 meters at the Southern California A. A. U. meet here to-day, according to official timers. He also equaled two world's marks.

Paddock's time for 100 meters was 10 2-5 seconds; for 200 meters, 21 1-5 seconds; for 300 yards, 20 1-5 seconds, and for 300 meters, 33 4-5 seconds.

He ran 100 yards in 9 3-5 seconds, equalling the world's record, and 220 yards in 21 1-5 seconds, which tied the mark for that distance, too.

Robert S. Weaver, National A. A. U. president, had extra timers to catch Paddock's time at the various marks. The U. S. C. sprinter recently ran 229 yards in 20 4-5 seconds at the University of California-U. S. C. meet at Berkeley, according to timers there, and a few days later made the distance in 21 seconds flat, in a Stamford-U. S. C. meet at Palo Alto.

Neither record has as yet been accepted officially by the A. A. U. Paddock is also credited with having tied the world's record of 9 3-5 seconds for the 100 yard dash in a race previous to that of this afternoon.

In the second half, some exceptional work by Capt. Woodhouse, Mayers and Chamberlain put Yale in front and three goals were shot against Rutgers's one.
